About Us

Give Happiness Foundation is a non-profit organization dedicated to providing medical aid, education, and social support to those in need. Our mission is to help critically ill patients, support underprivileged students, and care for the elderly and orphans.

Our Key Focus Areas:

Medical Support: Assistance for cancer, congenital heart disease, and other critical illnesses, including financial aid for treatment and awareness programs.

Education Aid: Scholarships, school supplies, and career guidance for needy students.

Elderly & Orphan Care: Food, medical support, and overall well-being for old age home residents and orphaned children.

We work towards creating a compassionate and equitable society where everyone gets the support they deserve.

Vision:

A world where every individual, regardless of their background, has access to quality healthcare, education, and sustainable livelihood opportunities, empowering them to lead a dignified and self-sufficient life.

Mission:

To provide accessible and affordable healthcare services to underserved communities.

To enhance educational opportunities for children and adults through skill development, digital literacy, and vocational training.

To promote sustainable livelihood programs by supporting entrepreneurship, vocational training, and financial literacy.

To collaborate with communities, governments, and stakeholders to create long-term impact and social change.

We invite you to explore our website to discover how our programs are transforming lives and making a meaningful impact in the communities we serve. Join us in our mission—whether as a partner or supporter—and help bring hope, care, and opportunities to those who need them most.
